### What is the BAR?

The Builder Assessment Review (BAR) is your first step towards obtaining the Certified Graduate Builder (CGB) designation. This comprehensive, 3-hour, 120 multiple-choice question assessment will measure your expertise in the five key areas of the building industry: Building Technology, Business and Finance, Project Management, Sales and Marketing, and Safety. Your results will show you the areas where your knowledge is strongest, where it is weakest, and will determine the courses required for you to obtain your CGB.

### What is the PREP?

The Professional Remodeler Experience Profile (PREP) is the required first step in the process of becoming a Certified Graduate Remodeler™ (CGR). It is a 3-hour, 130 multiple-choice question assessment that measures a candidate's knowledge in five core areas of remodeling business management: - Marketing and Sales - Business Administration - Design, Estimating and Job Costing - Contracts, Liability and Risk Management - Project Management. Candidates do not pass or fail the PREP. Results determine the course of study for CGR candidates.
